

Notice-and-Take-Down

As a hosting provider, The Infrastructure Group B.V. is an intermediary in providing digital services. If the details in this Notice-and-Take-Down form make it irrefutable clear that the content provided from the network of The Infrastructure Group B.V. (AS60649) or one of its subsidiaries; LiteServer B.V. (AS60404) or Infra Blocks B.V. (AS38913) infringes or violates the General Terms and Conditions or infringes or violates the Dutch law, we will undertake appropriate measures.

To appeal to the Notice-and-Take-Down procedure, the Notice-and-Take-Down form must be sent per registered mail to our headquarters. In addition to the registered mail, an electronic mail must be sent to abuse@theinfrastructure.group.

Personal information

Full name:

Address:

Postal code:

State/Province:

Country:

Phone number:

Mail address:

Reason of Notice-and-Take-Down-request

Motivate, as detailed as possible, why and how the content infringes or violates our General Terms and Conditions or the Dutch law.

Steps taken

As specific as possible, describe which steps have been taken to contact the content provider, and which actions have resulted from the correspondence.

Involvement in case

Describe as detailed as possible the nature of your involvement in the case.

Sign

By signing this form, you agree to our Notice-and-Take-Down-policy as described on our website: <https://theinfrastructure.group/notice-and-takedown>, our Privacy Policy as described on our website: <https://theinfrastructure.group/privacy> and confirm that the form is filled in veraciously. If this abuse notification causes any kind of damage to The Infrastructure Group B.V., the signer will be held responsible for all consequences.
